MEMORANDUM FOR THE DIRECTOR:

Bob Considine, substituting for Walter Winchell, said last night on his 9 P.M. radio-TV simulcast, that he had telephoned to Colonel Amoss and asked him if he had any report from operatives in Germany on Dr. Otto John who had gone over to the Reds. He said Amoss told him he had not yet heard from his operatives but he wouldn't be surprised if Dr. John were a Red agent all the time.
